Dear Jasmine,

This letter is in regards to the 5/12/15 compliance check of your Category C-1, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

110.10(1) SPECIFIC REQUIREMENTS FOR CHILD DEVELOPMENT HOME CATEGORY "C"

☐ 110.10(3) Facility requirements:

☐ 110.10(3)c If the second story or basement are used for childcare, other than the use of a restroom, there is, in addition to one inside stairway, at least one direct exit to the outside. If a basement window is used as an exit, the window is openable from the inside without the use of tools. (You have decided to start using your second story bedroom for napping. Because this floor does not have another direct exit to the outside, you have requested a change application to become a Category A provider. I have included a change application with this mailing and included the address this needs to be mailed to. Once you have completed the application and sent it to the Registration Unit, you can check off this section, sign this report and return it to me. I can monitor your progress in becoming a Category A provider online through the Kindertrack computer system.)

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations on or before 7/2/15.**

☒ Based on the items out of compliance listed above, a re-check or follow-up visit to your home is not necessary. However, it is essential you come into complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

Please sign and date below, and return this form in the provided envelope by: 7/2/15.
